

# 2026 IPC INFORMATION

The **Inspire Performance Collective (IPC)** is an extension opportunity for young dancers, providing a platform for them to be part of a valued performance ensemble. Under the guidance of talented choreographers and mentors, students in the IPC have the chance to develop their dance abilities, confidence, creativity, teamwork, and leadership skills.

The program offers numerous performance opportunities throughout the year including participation in eisteddfod and community performances, plus additional experiences such as social events and excursions, workshops with industry guests, and a Christmas performance.

The aim of the IPC program is to foster a supportive learning and creative community, where students with a passion for the arts and performance can grow in their technique and strength across various genres of Dance, build valuable friendships and connection, and pursue their creative gifts and interests.

## Private Tuition + Soloist Opportunities

Further private training opportunities are available for performers desiring more competitive performance experience as a soloist and/or duet capacity. Solo performance work is optional in addition to being a member of an IPC Performance Ensemble. Our talented team provide solo or duet creations across the following genres: Jazz, Hip Hop, Contemporary, Lyrical, Classical Ballet, Tap, Song & Dance, Vocal.

## IPC Team Values

Our IPC students are valued team players and public representatives of *Inspire Creative Arts*! This is an exciting role of leadership and commitment. By signing up to IPC, students and families are agreeing to:

- 1/ **Being a dedicated team player** by attending all rehearsals and performances to the best of our ability;
- 2/ **Encouraging and uplifting** our IPC team members with positive words & actions;
- 3/ **Attending all weekly classes** to continue developing our technique, creating amazing performance works for the stage, and building friendship with our teammates;
- 4/ When representing Inspire at public events, **we support everyone that we meet with kind words and actions; we lend a hand where needed and are a role model for younger students; we listen out for teachers' instructions and present well-groomed in the Inspire team uniform and costumes.**
